

**Online Proctoring Manager –
Give a boost to remote exams
at your university!**

Further education program for supporting digital transformation at higher education institutions

PROVIDE is a 20-month project co-funded by the Erasmus+ program of the European Union. We are a team of teachers, digital learning and online assessment experts committed to making education flexible and open to all. Together we are creating a training program for qualifying a new type of specialists at higher education institutions – **Online Proctoring Manager**.

What is Online Proctoring?

Online Proctoring is part of online assessment, which allows for the remote supervision of exams with the aid of a special online proctoring software. Online Proctoring gives students the opportunity to take exams from anywhere and anytime.

How to foster Online Proctoring at HEIs?

According to a recent study (Wiley, 2020; Academic Integrity In the Age of Online Learning) nearly all instructors surveyed believe that students are more likely to cheat online than in person. For nearly one fourth of instructors who used to deliver online assessment, this problem emerged more pronounced than ever.

Perceptions regarding misconduct along with data protection issues, compatibility with educational law are among the main issues in online assessment. How to support teachers about online assessment? PROWIDE team believes the need of a new profession in the HEIs, Online Proctoring Manager, who will be in charge of the organization, coordination and implementation of secure and reliable Online Proctoring services!

Expected PROWIDE results

PROWIDE main results will be:

- qualification profile Online Proctoring Manager,
- blended training program Online Proctoring Manager,
- qualified native instructors for the delivery of the training program Online Proctoring Manager,
- qualified native Online Proctoring Managers,
- open training materials on Online Proctoring,
- formalized Online Proctoring Manager training programs at PROWIDE HEIs.

PROVIDE beneficiaries

- Teaching, administrative (i.e. employees at Examination offices, Departments of Education), IT, and managerial staff at HEIs,
- HEI students,
- Academic and non-academic job seekers,
- VET (Vocational education & Training) providers,
- Testing and certification agencies,
- Centers for (academic) further education,
- Online Proctoring companies,
- Regional, national and Europe's educational policy makers.
